PROFILE

Enthusiastic Front-End Developer with 1 year of experience in ReactJS development. Proficient in HTML, CSS, and JavaScript. I leverage frameworks like Tailwind CSS and Bootstrap to build impressive projects. Extensive internship experience has equipped me with good knowledge of Node.js and Express.js. Eager to leverage my skills in collaborative environments, adapt quickly, continuously learning new things, and contribute to user-focused projects integrating MySQL or MongoDB databases.

WORK EXPERIENCE

Web Developer Intern

Oasis Infobyte   Feb 2024-Mar 2024

- Successfully completed web development internship at Oasis Infobyte.
- Contributed to the development of projects like Landing Page, Portfolio website etc. which resulted in development of skills like ReactJs, Tailwind CSS, JavaScript as well as soft skills like problem-solving, time-management and critical-thinking.
- Successfully hosted the projects on GitHub with the help of Gitbash.

Full-stack Developer Intern

Wayspire   Jul 2023-Sep 2023

- Successfully completed internship at Wayspire as Full-stack Web Developer Intern.
- Acquired proficiency in the web development technologies such as HTML, CSS, JavaScript and SQL etc. and tools such as VS code and MySQL Workbench.
- Enhanced my skills through real-world projects.
- Contributed in fellow developers projects.
